Doerner Saunders has been ranked in 29 Metro Areas in the 2015 Edition of U.S. News - *Best Lawyers* "Best Law Firms." [U.S. News & World Report](#) and [Best Lawyers®](#), for the fifth consecutive year, announce the 2015 "Best Law Firms" rankings. Firms included in the 2015 "Best Law Firms" list are recognized for professional excellence with persistently impressive ratings from clients and peers. Achieving a tiered ranking signals a unique combination of quality law practice and breadth of legal expertise.

"U.S. News has more than two decades of experience in providing the public with the most accurate and in-depth rankings of a wide range of institutions, including our Best Law Schools rankings," says Tim Smart, Executive Editor of *U.S. News & World Report*. "Law firms are an integral part of our rankings and a natural accompaniment to the law school rankings."

The 2015 rankings are based on the highest number of participating firms and highest number of client ballots on record. To be eligible for a ranking, a firm must have a lawyer listed in *The Best Lawyers in America®*, which recognizes the top 4 percent of practicing attorneys in the US. Over 12,000 attorneys provided over 330,000 law firm assessments, and almost 7,000 clients provided close to 20,000 evaluations. In addition, to provide personal insight, a new Law Firm Leaders Survey was implemented in the decision-making process.

Ranked firms, presented in tiers, are listed on a national and/or metropolitan scale. Receiving a tier designation reflects the high level of respect a firm has earned among other leading lawyers and clients in the same communities and the same practice areas for their abilities, their professionalism and their integrity.
